PATENT ASSIGNMENT

PATENT ASSIGNMENT (this "Patent Assignment"), dated April 27, 2000, by and between Michael Lorenz, an individual residing at 3308 Alma Avenue, Manhattan Beach, California 90266 ("Assignor"), and Accordent Technologies, Inc., a California corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor desires to transfer and assign to Assignee, and Assignee desires to acquire, all of Assignor's right, title and interest in and to the pending patent application listed in Exhibit A (the "Patent").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's right, title and interest in and to the Patent, the inventions and equivalents set forth therein, and all improvements thereof, all divisions, renewals, and continuations thereof, all patents which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which have been or shall be filed hereafter in any country or countries foreign to the United States based on any of the Patent, inventions and equivalents, and improvements thereof, together with the right to file any such application and the right to claim for the same, the priority rights derived from the

Patent under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the inventions and equivalents, and improvements thereof in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all rights to sue for infringement thereof;

AND, the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

IN WITNESS WHEREOF, Assignor and Assignee have caused their duly authorized representatives to execute this Patent Assignment.
